# FF Group Editing

This view is a shadow box which appears when the “group selection editor” button is pressed on any FF row.

**Group Search:** Filter groups seen in the well below

**Unassigned Groups:** Already created groups which have not been assigned to the current FF row

**Assigned Groups:** Already created groups which have been assigned to the current FF row

**Group Buttons:** zero to many groups can be selected at once. If selected, they can be acted upon with add or remove arrows.

**Decline:** to close box without saving. (Click outside of the box in shadowed area for same result.)

**Accept:** to save edits and close box

**Add (right) Arrow:** click to add selected groups in “unassigned” to “assigned”

**Remove (left) Arrow:** click to remove selected groups in “assigned” to “unassigned”
