# Filtering Menu Example

A hand-drawn sketch of a filtering menu interface. The interface is divided into two main sections. The top section is a header bar with a hamburger menu icon on the left and a search icon (magnifying glass) on the right. Below the header bar is a dropdown menu titled "Text Filters". The dropdown menu is open, showing a search input field with a search icon, followed by a list of filter options: "Select All", "Record 1" (with sub-items "Sub A" and "Sub B"), and "Record 2" (with sub-item "Sub C"). At the bottom of the dropdown menu are two buttons: "CANCEL" and "ACCEPT". The main content area of the interface is a list of items: "Sub B", "Sub A", and "Sub C".
