FF Group Editing

This view is a shadow box which appears when the “group selection editor” button is pressed on any FF row.

Group Search: Filter groups seen in the well below

Unassigned Groups: Already created groups which have not been assigned to the current FF row

Assigned Groups: Already created groups which have been assigned to the current FF row

Group Buttons: zero to many groups can be selected at once. If selected, they can be acted upon with add or remove arrows.

Decline: to close box without saving. (Click outside of the box in shadowed area for same result.)

Accept: to save edits and close box

Add (right) Arrow: click to add selected groups in “unassigned” to “assigned”

Remove (left) Arrow: click to remove selected groups in “assigned” to “unassigned”
